

Your 8(a) ANC-Owned Solution Chenega Defense & Aerospace Solutions, LLC

WHO WE ARE

Chenega Defense and Aerospace Solutions, LLC (CDAS) is an 8(a) Small Disadvantaged Business (SDB) and a wholly owned subsidiary of Chenega Corporation, an Alaska Native Corporation (ANC). Headquartered in Huntsville, Alabama, we specialize in Information Technology (IT) and Software Engineering, Training, Logistics, and Intelligence/Counterintelligence Operations for our customers, including the US Air Force, US Navy, US Army, Intelligence Community, Department of Justice, Department of Treasury, and the Joint Chiefs of Staff.

We offer our DoD and Federal customers cleared, qualified, and experienced personnel to deliver unique and cost-effective solutions to meet today's challenging environment. Through our ISO 9001:2015, CDAS provides quality-based deliverables across multiple disciplines and technical support areas. From identifying needs, researching, and developing solutions to communicating and implementing a solution design or service, the quality of our deliverables is our top priority.
