

CAPABILITIES STATEMENT

COMPANY SUMMARY

Since its inception in 2002, ACO Remodeling and Construction, Inc. has grown to become one of the most respected construction companies in El Paso and Texas alike. We specialize in General Construction, Contracting, and Project Management through subcontracting and self-performance. Widely acknowledged for our integrity, responsiveness, and ability to complete complex projects, ACO is a company of choice for federal agencies, state entities, and private clients.

With significant federal, state and local experience, our staff has more than 300 years of operational prowess in the construction field. Combined, our professionals have multiple degrees in engineering, business, and construction management coupled with OSHA safety certifications and military experience.

ACO is firmly committed to setting an optimal standard for quality and excellence in construction and project management.
