Chugach Solutions Enterprise, LLC (CSEL) is a wholly owned subsidiary of Chugach Government Solutions (CGS); the federal division of Chugach Alaska Corporation (Chugach). Chugach is a regional Alaska Native Corporation, established under the Alaska Native Claims Settlement Act of 1971. Chugach represents more than 2,500 shareholders, protects traditional native lands, celebrates and perpetuates cultural values, and is dedicated to maintaining profitability for its shareholders.

CSEL expertly takes advantage of the multiple decades of successful government contracting past performance within the Chugach organization to create effective teaming partnerships to CONUS and OCONUS sites around the globe.

CSEL assembles highly qualified teams that are well versed in federal government processes and techniques and are appropriate to local conditions and the immediate work at hand. CSEL's combined experience is broad and diverse, including decades of experience performing Base Operations Support, Construction, MATOC, IDIQ, and TO contracts, allowing for a final product that often exceeds government expectations.

CSEL provides all personnel, tools, equipment and material to meet the needs of our customers ranging from logistics support, facility operations to design-build services. Applying process and technology we are able to provide the best value to our customers across the spectrum of project size and geographic location.

CSEL benefits from the quality of Chugach Government Solutions professional staff and industry standard best practices such as:

- DCAA approved Accounting, Procurement, & Property Management systems
- ASQ Certified Quality Auditor
- NSC Affiliated Safety program
- Award-winning Industrial Security program

# A Chugach Government Solutions Company

As a wholly-owned subsidiary of Chugach Government Solutions, **Chugach Solutions Enterprise** benefits from the experience and exemplary performance of its sister subsidiaries on contracts worldwide.

Chugach Government Solutions specializes in providing services in four core lines of business.

Facility Maintenance & Management

Construction Services

IT/Technical Services

Education & Training

## Alaska Native Heritage

Chugach is more than a family of companies. We are proudly owned by more than 2,500 Alaska Native shareholders. Established in 1972 under the Alaska Native Claims Settlement Act (ANCSA), Chugach is committed to advancing the economic and social well-being of the Alaska Native people of the Chugach region.

Inspired by our Alaska Native heritage, Chugach employees are dedicated to core behaviors that guide everything we do:

- We do things the right way
- We create meaningful value
- We empower people
- We build community
- We leave things better than we found them

## Fort Greely Ballistic Missile Defense Mission Support Services

### Location of Project

Fort Greely, Alaska

### Client

Missile Defense Agency (MDA), Space and Missile Defense Command (SMDC), and Fort Greely Army Garrison

### Description of Work

Chugach provides base operating services at Fort Greely, home of the MDA and SMDC, located 100 miles southeast of Fairbanks, Alaska. Chugach maintains critical infrastructure such as the airfield and power generation and distribution in this remote location. Chugach ensures environmental compliance and cleanliness of facilities to ensure the health and safety of all personnel supporting Fort Greely's mission.

## NASA Glenn Research Center Facilities, Operations & Maintenance

### Location of Project

Cleveland, Ohio

### Client

NASA

### Description of Work

Chugach provides facilities management services for 2.4M square feet of facilities including roads and ground maintenance; facility maintenance; energy management control systems (EMCS); utilities; central steam plant; life safety, fire protection and security systems; and high and low voltage electrical distribution systems.
