

D & R WILLIAMS, LLC

D & R WILLIAMS, LLC (D & R) ensures that it provides *Best in Class* custodial services. We at D&R will be responsive to the needs of the occupants, with quick and efficient service to ensure that all staff, visitors and occupants have a clean, safe, and hygienic environment in which they feel comfortable to visit or perform their duties. A properly cleaned work environment helps to eliminate germs and bacteria, which reduces ailments and occupant loss of work time. Our team's goal is not only to provide quality custodial services, but also to enhance the buildings' environments. In addition, we will bring extra added value benefits in performance of this contract and look to partner with the entire contract management team to provide benefits to all occupants of the facilities.

Experience

Our personnel are experts at managing facilities of any size—large or small—and handling everything from scheduling and efficiencies, to safety, and quality control. Every aspect of service performance has been mastered through years of continual process improvement. We have a highly effective organization with the ability to efficiently perform high levels of service on a *consistent* basis. We offer extensive custodial service solutions in a single source. The foundation of our cleaning capabilities is based on our sustainability programs. With experience of over 4 million square feet of government facilities, day cares, clinics and commercial office space We are a leader in providing sustainable facility services to building owners and operators. We have knowledge and experience providing services to:

Health Care Facilities – Home Health, Hospitals, Physicians Offices
Government Facilities- United States Air Force Bases, VA Hospitals and Community Outpatient Clinics
Commercial Facilities- Banks and Stadiums
Education Facilities- Colleges and Daycares
