

Logistics through Innovation, Dedication and Technology

CAPABILITIES STATEMENT

About Platinum Logistics Solutions

Platinum Logistics Solutions, LLC (PLS) was founded in 2012 as an Alabama registered Limited Liability Company (LLC) to provide multiple lines of services to commercial and Government customers. PLS now operates as a Huntsville, Alabama headquartered small-disadvantaged business, certified by the U.S. Small Business Administration as a participant in the 8(a) Program and by the State of Alabama as a Disadvantaged Business Enterprise Certified Company.

PLS supplies superior and affordable services to fulfill customer logistical, construction, facilities maintenance and support, janitorial and building maintenance, office furniture supply and installation, information technology, security and access control, and administrative support services requirements. Our goal is to supply quality services at competitive costs and inspire customer confidence by working in partnership with our customers to ensure their requirements are met the first time and every time.

Core Competencies

The core capabilities PLS offers in the service arena are:

- Logistics Support Services/Supply Support (Warehousing, Distribution, Inventory Control, Moving, etc.)
- Office Furniture Supply and Installation
- Information Technology (IT)
- Security and Access Control Services (Security Equipment Installation and Unarmed Security & Access Control)
