About Us

RGZ Forestry LLC was established in 2012 by Saul and Maria Rodriguez, building on over 30 years of family experience in the reforestation industry. Our founder, Saul Rodriguez, grew up in the forestry sector, gaining invaluable knowledge and a deep respect for nature from his father, who worked as a foreman. Today, RGZ Forestry LLC combines this family legacy with professionalism and a commitment to quality service.

Core Competencies

RGZ Forestry LLC specializes in a wide range of forestry services, including:

- Herbicide Applications: Expert application services using licensed professionals.
- Tree Thinning: Efficient thinning techniques to promote forest health.
- Reforestation: Tree planting and site preparation to restore ecosystems.
- Wildfire Mitigation: Preventative measures and services to reduce wildfire risks.

- Mechanical Services: Equipment-supported thinning and reforestation efforts.
- Invasive Species Control: Targeted treatment to protect native flora.

Key Personnel

- Saul Rodriguez - Owner/President: Over 17 years of experience in forestry, including expertise in tree planting, herbicide application, and wildfire management.
- Celestino Rodriguez - General Manager: 35+ years in the forestry industry, bilingual estimator, and chief forester overseeing operations.
- Experienced Foremen: Our team includes five foremen, each with extensive experience managing crews and projects, ensuring high-quality work and adherence to safety standards.

Facilities and Equipment

RGZ Forestry LLC operates from a central office in Central Point, Oregon, equipped with:

- Heavy Machinery: Chainsaws, ATVs, water trailers, and specialized herbicide application equipment.
- Maintenance Facility: On-site shop managed by our Shop Manager, ensuring all equipment is well-maintained and operational.

Safety Commitment

We prioritize the health and safety of our employees, adhering to all safety regulations and providing necessary training and equipment. Our team includes certified first-aid responders, and we conduct regular safety briefings to mitigate risks on-site.

Conclusion

RGZ Forestry LLC is dedicated to providing high-quality forestry services while preserving our natural environment. Our family-owned business combines years of experience with a commitment to excellence, making us a reliable partner for your forestry needs. We welcome the opportunity to collaborate on future projects.
