

CAPABILITIES STATEMENT

“Every healthcare company has a responsibility to leave health and human service programs better than they found them.” – Tracy Mills, CEO and Founder of J29

Introduction

ABOUT US

J29 is a healthcare management consulting company that prides itself on an **employee-centered culture** committed to bringing innovation, and exceptional delivery through health and human service programs at the commercial, State, and Federal levels. As an **8(a)** and Economically Disadvantaged Woman-Owned Small Business (**EDWOSB**), J29 focuses our efforts towards supporting various forms of claims processing, case analysis, and program integrity services where our team provides program integrity focused consultative services on **patient, provider, and payer level** subject matter.

Since 2017, J29 has been involved in programs involving extensive policy and compliance program management of private, Medicare, Medicaid, and CHIP insurances.

Headquartered in Millersville, Maryland, J29 is a team of over **240 employees** across 34 different states that serve our programs. J29 is proud to serve as both a **prime and subcontractor on over 12 contracts** within the Department of Health and Human Services.
