### About Us

Marathon Medical is a medical supply distribution company founded in 2002. Our mission is to provide excellence to the health care supply chain with professional personal service. Marathon Medical's corporate offices and warehouse facility is conveniently located just outside of Denver, CO with an additional location in Tampa, FL. We work with a variety of manufacturers including our own private label products to provide solutions for every department within the hospital. Marathon Medical remembers those in service by donating to the Wheel-Chair Games, Danny Dietz Memorial, and the Navy Seal Fund.
